

TERRITORIA European Award 2016

European public innovations

Deadline for Applications : September 15th, 2016

Rules and Regulations:

Article 1. The Candidates

The TERRITORIA European Award 2016 is open to all European local authorities and governments, out of France.

Article 2. The application

Application and information can be found on the website. Candidates with an innovative project must mail their completed application before September 15th, including :

1. The application form (that should be downloaded)
2. The synthesis form (that should be downloaded) describing the innovative project, how the project was carried out, and giving an evaluation.
3. An illustration (Photo, logo or other) of the innovative project

Article 3. The TERRITORIA European Competition, 2016

The Laureates are awarded prizes by the domain of the project:

Culture - Communication - Proximity Services - Security - Local Development - Environment - Sustainable Development – Town planning - Citizenship – Management.

The Criteria of Selection are:

- the innovative quality of the project
- the capacity to be transposed or applied to other public organizations
- the good usage of public treasury's funds

The trophies will be awarded to laureates by the president of the National Observatory of Public Innovation, on November 25th, 2016, in Paris.
